INTRODUCTION:

Sir / Madam,

On behalf of the **Team Webina**, here at **Webina Tech**, I want to thank you for the opportunity to earn your business as your provider of system management services. There are thousands of companies offering these services that you could have chosen, and yet here we are, with an opportunity to earn your business.

I've included a lot of detail in this proposal to make it abundantly clear to you that what Webina Tech will do for you.

PROJECT SUMMERY:

Webina Tech will build your system using the CI Framework (CodeIgniter). CodeIgniter is used by more than a million brands around the world, and is known for it's ease of use, security, and scalability.

Our team is proficient in development using CI Framework. Based on your needs, we feel that CodeIgniter Framework is the best platform for your website.
A summery is given below what Webina Tech will do for you:

WEBSITE STRUCTURE

Your website will have the following pages:

1.   Home/ Landing Page

2.   About Us

3.   Contact Us

4.   Why Us

5.   All Service Pages

6.   Portfolio Pages

7.   Blogs

8. Blog Details

9. Admin Controller
